# Trade name: DEGREASER

| · Additional information:                         | (Contd. of page 1)<br>For the wording of the listed hazard phrases refer to section 16. |
|---|---|
| SECTION 4: First aid measu                        | res   |
| • 4.1 Description of first aid mea                | asures  |
| • General information:                            | Seek immediate medical advice.  |
|   | Immediately remove any clothing soiled by the product.                                  |
| • After inhalation:                               | Supply fresh air; consult doctor in case of complaints.                                 |
| • After skin contact:                             | Wash with water and soap and rinse thoroughly.  |
| After eye contact:                                | Rinse opened eye for several minutes under running water.                               |
| • After swallowing:                               | Do not induce vomiting; call for medical help immediately.                              |
| 4.2 Most important symptoms                       |   |
| and effects, both acute and                       |   |
| delayed   | No further relevant information available.  |
| • 4.3 Indication of any immediat                  | e   |
| medical attention and special                     |   |
| treatment needed                                  | No further relevant information available.  |
|   |   |
|   |   |
| SECTION 5: Firefighting me                        | asures  |
| 5.1 Extinguishing media                           |   |
| • Suitable extinguishing agents:                  | Use fire extinguishing methods suitable to surrounding conditions.                      |
| Sullable extinguishing agents.                    | Foam  |
|   | Fire-extinguishing powder   |
|   | Carbon dioxide  |
| <ul> <li>For safety reasons unsuitable</li> </ul> |   |
| extinguishing agents:                             | Water with full jet   |
| 5.2 Special hazards arising fro                   |   |
| the substance or mixture                          | In case of strong heating possibility of formation of explosive mixtures                |
|   | with air.   |
| 5.3 Advice for firefighters                       |   |
| · Protective equipment:                           | Wear self-contained respiratory protective device.                                      |
| · · · · · · · · · · · · · · · · · · ·             | Wear fully protective suit.   |
| · Additional information                          | Cool endangered receptacles with water spray.   |
|   | Dispose of fire debris and contaminated fire fighting water in                          |

# SECTION 6: Accidental release measures

| <ul> <li>6.1 Personal precautions,<br/>protective equipment and</li> </ul> |   |
|--|---|
| emergency procedures   | Wear protective equipment. Keep unprotected persons away.<br>Particular danger of slipping on leaked/spilled product.   |
| • 6.2 Environmental precautions:   | Do not allow to enter sewers/ surface or ground water.<br>Prevent from spreading (e.g. by damming-in or oil barriers).<br>Inform respective authorities in case of seepage into water course or<br>sewage system. |
| • 6.3 Methods and material for   |   |
| containment and cleaning up:   | Absorb with liquid-binding material (sand, diatomite, acid binders,<br>universal binders, sawdust).<br>Send for recovery or disposal in suitable receptacles.   |
| • 6.4 Reference to other sections  | See Section 7 for information on safe handling.<br>See Section 8 for information on personal protection equipment.<br>(Contd. on page 3)  |

accordance with official regulations.

#### Safety data sheet according to 1907/2006/EC, Article 31

Printing date 20.04.2022

Version number 12

Revision: 02.02.2022

## Trade name: DEGREASER

(Contd. of page 2) See Section 13 for disposal information. SECTION 7: Handling and storage <sup>•</sup> 7.1 Precautions for safe handling No special measures required. · Information about fire - and explosion protection: No special measures required. • 7.2 Conditions for safe storage, including any incompatibilities · Storage: · Requirements to be met by storerooms and receptacles: Store only in the original receptacle. · Information about storage in one common storage facility: No special measures required. · Further information about storage conditions: Store in cool, dry conditions. Keep container tightly sealed. Protect from frost. 7.3 Specific end use(s) No further relevant information available. SECTION 8: Exposure controls/personal protection · 8.1 Control parameters Ingredients with limit values that require monitoring at the workplace: The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace. · Additional information: The lists valid during the making were used as basis. <sup>•</sup> 8.2 Exposure controls · Appropriate engineering controls No further data; see item 7. · Individual protection measures, such as personal protective equipment · General protective and hygienic measures: The usual precautionary measures are to be adhered to when handling chemicals. Immediately remove all soiled and contaminated clothing Wash hands before drinking, eating or smoking. Wearing of Personal Protective Equipment (PPE) required for all persons with allergies. Use suitable respiratory protective device in case of insufficient · Respiratory protection: ventilation. Hand protection Protective gloves The glove material has to be impermeable and resistant to the product/ the substance/ the preparation. Selection of the glove material on consideration of the penetration times, rates of diffusion and the degradation · Material of gloves Nitrile rubber, NBR · Penetration time of glove material The exact breakthrough time of the glove material has to be found out by the manufacturer of the protective gloves and has to be observed. · Eye/face protection Safety glasses (Contd. on page 4) GB

Revision: 02.02.2022

Trade name: DEGREASER

(Contd. of page 5)

## SECTION 13: Disposal considerations

- 13.1 Waste treatment methods
- · Recommendation

Send to an approved waste facility. Do not allow product to reach sewage system or any water course.

- · Uncleaned packaging:
- · Recommendation:

Send to an approved waste facility. Disposal must be made according to official regulations.

## SECTION 14: Transport information

| · 14.7 Maritime transport in bulk according to |  |
|--|--|
|  |  |
|  |  |
|  |  |

### **SECTION 15: Regulatory information**

 15.1 Safety, health and environmental regulations/ legislation specific for the substance or mixture
 No further relevant information available.

National regulations:

· Other regulations, limitations and prohibitive regulations

• Substances of very high concern (SVHC) according to REACH, Article 57

None of the ingredients is listed.

15.2 Chemical safety

assessment:

A Chemical Safety Assessment has not been carried out.

#### **SECTION 16: Other information**

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship. Shelf-life : 24 months from the date it was manufactured.

· Abbreviations and acronyms:

ADR: Accord relatif au transport international des marchandises dangereuses par route (European Agreement Concerning the International Carriage of Dangerous Goods by Road)
